

Dear Colleague,

First and foremost I want to reassure you that no information about you has been given to me – this is a generic letter that we have asked the RO's team to send out if they feel appropriate to Derbyshire GP colleagues who are currently away from general practice, be that through parental leave, sick leave, working outside UK general practice or for any other reason.

We would very much like to keep you in touch with what's happening in Derbyshire general practice and all that's on offer here.

You may be aware of our informative websites (www.derbyshirelmc.org.uk and www.gptaskforce.com) with their links to lots more information.

However, sometimes it's nice to just speak to someone and we're more than happy to do this.

Please give us a ring on 01332 210008 and we can put you in touch with the right person.

Kind regards

Dr Gail Walton
