

Welcome to Derbyshire General Practice!

As you complete training and embark on a general practice career we want to let you know we're here to support and help - the following information hopefully provides that and starts, what we trust will be, an ongoing and valuable two-way conversation.

Forthcoming events: Join our mailing list to find more about our rolling programme of events.

New to Practice: a summary of NHSE's "The New to Practice Programme for newly-qualified GPs and Nurses" can be found [here](#).

New to Practice: fellowship information and expression of interest form

We are currently awaiting information regarding funding of the 'System Leadership' tier (previously often referred to as fellowship) places described in the previous document. If you have an interest and would like to join our mailing list for further information as we get it then please complete this [EoI](#)

New to Practice: a modular approach, can be found [here](#)

June 2020 webinar "Getting your career going, our virtual GP Trainee Transition Conference" recording can be found at <https://www.youtube.com/channel/UCcDJyG66yCkrLbMrOv7Q7fA>

Please get in touch with us (ddlmc.gptf@nhs.net) and please pass this to any interested colleagues.
